FOOD BLENDERS

LAR-15PMB / LAR-25PMB

STANDARD FEATURES

Large capacity floor model Food Blenders are ideal for kitchen appl cations. Available in two sizes, 4 and 6 1/2 gal.

These oversized low speed Food Blenders are perfect for preparing salsas, mayonnaise and similar textured dips, creamy and liquid soups, crepe dough and similar types of dough, as well as fresh fruit juices (little fruit pieces may be present in final product) and many more. Can be used with cold or hot ingredients up to 140 F (60 C).

Four stainless steel blades positioned close to the bottom and wall of the container create a perfect vortex and optimize results.

Seamless stainless steel container with four pressed internal ribs ensure proper mixing and cleaning. Enamel painted robust four-legged base provides great stability.

No-spill rubber cover with filler-cap allows for adding more ingredients during operation.

Foot operated tilting container make it easy to discharge final product.

High torque heavy duty 1 1/2 HP motor is capable of handling heavy loads.

Easy to clean. Seamless edges and radius corners eliminate crevices that trap food.
