SERV-WARE™ Warranty

RR Series - Refrigeration

Notify carrier of damage! Inspect all components immediately.

*Serv-Ware Products warrants to the original owner/user that any Reach-In Refrigerator manufactured shall be free of defects in material or workmanship, under normal use and maintenance, for a period of three (**3**) years* from the original installation date or a maximum of forty-two (**42**) months after the shipment date from Serv-Ware Products.* ****(Products purchased by the dealer before 06/09/22 will retain the original 2 year warranty)*** *Proper installation and start-up in accordance with the instruction manual supplied will be taken into consideration when evaluating the warranty on the specified equipment. Labor warranty charges are valid in the United States only.*

The labor warranty shall include standard labor charges at the product location only. The end user is responsible for any emergency, overtime, or long-distance travel charges. Any labor service required to fulfill the warranty obligation must be performed by a refrigeration service company qualified and accepted by Serv-Ware Products. Billing will be handled between the service company and manufacturer directly, there will be no compensation for charges not billed to Serv-Ware Products by the service company. Serv-Ware Products reserves the right to have any warranty "failed" parts returned to the factory for inspection before agreeing to covering the above stated warranty labor charges.

This warranty does not include parts & labor coverage resulting from:

- **External electrical power failure or improper supply voltage to product.**
- **Adverse operating conditions for the product.**
- **Failure to clean the condenser coil and/or maintain the product.**
- **Standard wear & tear items such as gaskets, light bulbs, and door hinges.**
- **Damage that is caused by employees or customers.**
- **Any part or assembly that has been altered, modified, or changed.**
- **Equipment usage in a residential or non-commercial setting.**

*In addition to the three (**3**) year warranty stated above, Serv-Ware Products warrants its compressors to be free from defects in both material and workmanship, under normal use and maintenance, for a period of five (**5**) additional years from the date of original installation after shipment from Serv-Ware Products. The five (**5**) year compressor warranty applies only to the compressor part itself and does not apply to any other parts, components, or labor charges involved in replacement of compressor. The compressor failure must be verified by Serv-Ware Products via a qualified service technician at the end user's expense. Serv-Ware Products reserves the right to have the "failed" compressor returned to the factory for inspection before issuing a warranty compressor part only.*
