Swing Door Freezers

Glass Door Merchandisers
Super Deluxe Series

Model : TGF-5SD*-N

FEATURES & BENEFITS

- ***Hydrocarbon refrigerants (R-290)***
  With innovative and eco-friendly technology, Turbo Air brings you hydrocarbon refrigerators designed to meet DOE's Energy Conservation Standards in 2017 and to use EPA's SNAP Program approved HC refrigerants. Hydrocarbon refrigerants do not deplete the ozone layer and have very low contribution to global warming (ODP-0, GWP-3).

- ***No electrical cabinet heater is needed***
  Turbo Air is the first in the industry to replace a frame heater with a method of using compressor-produced heat. This eliminates any unnecessary energy consumption while providing efficient freezing performance.

- ***High-density polyurethane insulation***
  The entire cabinet structure is foamed-in-place using high density, HCFC free polyurethane insulation.

- ***Triple pane heated glass doors***
  Equipped with unique triple-pane heated glass doors which enhance energy efficiency by preventing heat transfers and minimizing condensation. Lightweight door construction reduces door maintenance, bushing wear, and facilitates smooth door opening.

- ***LED interior lighting***

- ***Freezer holds -10°F ~ 5°F for the best in frozen food preservation***

Actual shipping weight may differ due to extra packing materials for product protection.
* Depth does not include 2-1/4" (57mm) for door handle.
Depth does not include 2-3/8" for rear mechanical component and additional 1-5/8" for a power cord bushing & radius of curvature.
† Height does not include 2-1/4" (56mm) for leg height.

■ WARRANTY : 5 Year Parts and Labor Warranty
7 Year Compressor Warranty

■ STANDARD FEATURES

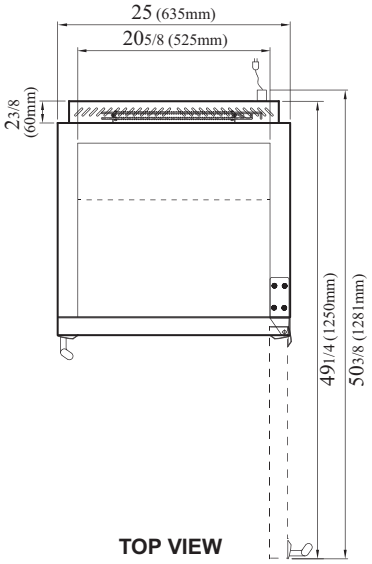

- ***Anti-corrosion coated evaporator***
- ***Door locks standard***
- ⁂ ***Two color options available (standard):*** Super Deluxe series comes in white cabinet (W), black cabinet with black color trim (B).

■ OPTIONAL ACCESSORIES

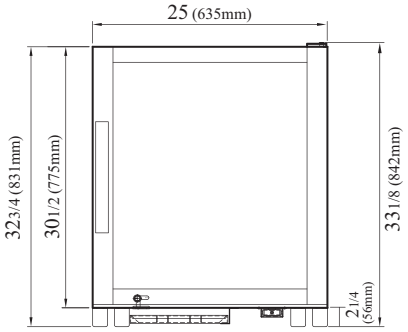

- Additional PE coated wire shelf: P0178A0300
- Price tag channel: P0122K5700 (18-1/2"L)
