DESCRIPTION

Midea FlashChef™ High Speed Oven provides incredible performance where professional cooking results are needed. With breakthrough dual impingement system, Midea FlashChef™ High Speed Oven can brown and crisp with ultra fast speed. Dual magnetron with inverter® technology enables the Midea G1 to cook or heat the food quickly and uniformly while consuming less energy.

Apart from its impressive performance Midea FlashChef™ High Speed Oven user-friendly 8" HD TFT touch screen, largest screen in its class, offers the user more content with clearer display. The intuitive and scrollable control panel with auto-top menu function provides phone-like operation, eliminating operating and language barriers. Built-in cavity light allows the users to check the food with brighter view and filters that are easily removed and cleaned for maintenance.

With these features and functions, the Midea Flashchef HSO adapts to many different applications for users and operators and includes R&D Chef Support.
